

LEVELS OF HEALTH BOOK IN CZECH

Czech translation of the book Levels of health

By Prof. George Vithoukas

Translated by Petr Hoffmann

Alferia, 152 pages, paperback

We are proud to announce that the book Levels of Health by Prof. George Vithoukas has been published in the Czech Republic.

It is a translation of the second edition originally published in 2017. The translation was done by **Petr Hoffmann, a graduate of the International Academy of Classical Homeopathy and a student of Prof. Vithoukas.**

The book is now available for Czech and Slovak speaking students. Alferia is a branch of a well established Grada publishing house which is one of the biggest ones in the Czech Republic. Among other fields, it publishes books and textbooks about medicine. <https://www.grada.cz/urovne-zdravi-10215/>
